7. Notification Under Another Act

- Transposition of Directive 94/62/EC on packaging and packaging waste, amended by Directive No 2015/720 of the European Parliament and Council of 29 April 2015, amending Directive 94/62/EC as regards the reduction of the consumption of light plastic bags.

8. Main Content

This Decree defines the conditions for the application of the legislative provisions of the Environmental Code, aiming to ban the making available of disposable plastic bags, with the exception, for bags other than carrier bags, of compostable bags that can be disposed of with household composting waste and which entirely or partially consist of biosourced materials. To this end, the methods of application of II of Article L. 541-10-5 of the Environmental Code are specified and, in particular, the definition and characteristics of disposable plastic bags, carrier bags and compostable bags that can be disposed of with household composting waste as well as the expected composition of "biosourced" plastic bags. Finally, it specifies the indications that must be given on plastic bags to inform the consumer of their composition and use.

9. Brief Statement of Grounds

These legislative and regulatory provisions constitute the texts for the transposition of Directive 2015/720 of the European Parliament and Council of 29 April 2015, amending Directive 94/62/EC as regards the reduction of the consumption of light plastic bags.
