8. Main Content

The draft Order is a consolidated version of the provisions in the amended Order of 27 October 1975. It sets forth a list of ingredients authorised in certain products intended for cleaning materials which may come into contact with foodstuffs.

It is adopted on the basis of Decree no. 73-138 of 12 February 1973, last amended by Decree no. 98-507 of 17 June 1998, which includes a mutual recognition clause, which was the subject of notification no. 96/0324/F, received by the Commission on 20 August 1996.

9. Brief Statement of Grounds

In order to take into consideration Decree no. 98-507 of 17 June 1998, which, henceforth, gives those developing products intended for domestic use the possibility of using the ingredients of their choice, the draft Order presents a list of authorised ingredients in a form which is different from that laid down by the original Order of 27 October 1975.

Thus, the ingredients currently authorised are distributed in the draft Order between:

- the section of products intended for industrial uses,
- the section of products presented as not being able to be rinsed after use,
- the section of products intended for non-industrial uses (which includes only ingredients with disinfectant or preservative action).
