8. Main Content

The purpose of this royal decree is to lay down provisional conditions to be satisfied by recycled polyethylene terephthalate (PET)-based raw materials obtained in Spain for use in materials and items intended to come into contact with foods, until the adoption of the Community decisions pursuant to Article 13.6 of Commission Regulation (EC) 282/2008 of 27 March 2008 on recycled plastic materials and articles intended to come into contact with foods and amending Regulation (EC) No 2023/2006.

This royal decree also lays down conditions to be satisfied by all other polymer-based raw materials recycled for use in materials and items intended to come into contact with foods until they are regulated at Community or national level.

Royal Decree 2814/1983 of 13 October, prohibiting the use of recovered or regenerated polymer materials intended to come into contact with foods, is hereby officially repealed.

9. Brief Statement of Grounds

The aim of this Royal Decree is to lay down provisional conditions to be satisfied by recycled polyethylene terephthalate (PET)-based raw materials obtained in Spain for use in materials and items intended to come into contact with foods, along with health guarantees, until the adoption of the Community decisions pursuant to Article 13.6 of Regulation (EC) 282/2008, as well as the conditions to be satisfied by all other polymer-based raw materials recycled for use in materials and items intended to come into contact with foods until they are regulated at Community or national level.
