Decree amending the regulatory part of the Rural Code

6. Products Concerned

Primary products of animal origin, within the framework of the direct supply in small quantities to the end consumer or a retail establishment directly supplying the end consumer.

7. Notification Under Another Act

Regulation (EC) No 852/2004 of the European Parliament and of the Council of 29 April 2004 on the hygiene of foodstuffs;

Regulation (EC) No 853/2004 of the European Parliament and of the Council of 29 April 2004

8. Main Content

The draft Decree specifies the hygiene conditions applicable during:

- the direct supply to the end consumer, or to local retail establishments directly supplying the end consumer, of small quantities of primary products of animal origin.
- the direct supply to local retail establishments supplying the end consumer with small quantities of wild game or wild game meat

The Decree defines the basic hygiene rules to be respected during the abovementioned supply in order to guarantee food safety objectives.

The definition of quantities and geographical limits corresponding to the terms "small" and "local" are laid down in the Order relating to health rules concerning animal products and foodstuffs containing these, text notified in concert.

Due to the geographical restrictions applied to the marketing space of these products, these provisions essentially concern national production.
