8. Main Content

Definition of the administrative specifications of the GPL
following the adoption of a European Standard for this
product by the European Standardisation Committee.

9. Brief Statement of Grounds

The French Government would like to replace the current
regulations on the GPL (Order of 3 September 1979) to take
account of the adoption by the European Standardisation
Committee (16 March 1993) of the standard EN 589 which
defines all the technical characteristics of the product. The
text specifies that the GPL sold in France must comply with
this standard or any other equivalent standard.

10. Reference Documents - Basic Texts

Standard EN 589 (16 March 1993).
Amended Decree No 62-1297 of 7 November 1962 laying down
public service regulations with regard to the technical rules
of use and characteristics of petroleum products.
