8. Main Content

The main purpose of the Order is to prepare the transition to the European regulation on construction products No 305/2011. It also updates certain provisions to take account of developments in European harmonisation undertaken within the framework of Directive 89/106 on construction products that this regulation shall replace.

More specifically, the order concerns the fire behaviour of electrical cables and the use of corresponding performance classes to meet the requirements of fire safety regulations.

9. Brief Statement of Grounds

The need to repeal the basic text from 1994 is the main reason for drawing up this draft.

10. Reference Documents - Basic Texts

Reference texts: Order amending the Order of 21 July 1994 implementing the classification and certification of conformity of the fire behaviour of electrical cables and conductors, and the approval of test laboratories (notified under number 2000/0295/F).
