### 8. Main Content

The purpose of this draft Royal Decree is to adopt the list of processing aids authorised for the production of edible vegetable oils, appearing in Annex I, as well as the identification and purity criteria for these, shown in Annex II, with the exception of extraction solvents, which are regulated by Royal Decree 1101/2011 of 22 July, adopting the positive list of extraction solvents that may be used in the manufacture of foodstuffs and their ingredients.

### 9. Brief Statement of Grounds

To update the Order of 13 January 1986, adopting the positive list of additives and processing aids for use in the production of edible vegetable oils, removing any reference to food additives and extraction solvents that fall under EU legislation. In addition, a new processing aid has been added (kaolinite clay). Everything has been collated in a single text.
