8. Main Content

The aim of the draft Order is to abrogate the Order of 20
December 1996 defining the useful surface of smoke extractor
vents and designating laboratories approved for tests for
suitability for use. It extends the validity of suitability

reports until 1 January 2000 and creates a new obligation for
the above-mentioned products henceforth to receive the NF
mark or be recognised as equivalent.

9. Brief Statement of Grounds

The draft Order exists to promote the free movement of products and ensure their eventual conformity to the future European standards which will be published pursuant to the Directive on construction products.

10. Reference Documents - Basic Texts
