4. Notification Number

2001/202/F - B00

5. Title

Order supplementing the Order of 29 November 2000 regarding the heating characteristics of new buildings and new parts of buildings

6. Products Concerned

Equipment and products which have an impact on the heating characteristics of the building

7. Notification Under Another Act

-

8. Main Content

The heating legislation laying down the requirements for new buildings was published on 30 November 2000. It did not supply the reference requirements regarding collective heating and wood-fired heating although the

calculation methods were given. This Order therefore gives these references.

The mutual recognition principle already features in the Order of 29 November 2000 regarding the heating characteristics of new buildings and new parts of buildings (Article 7).

9. Brief Statement of Grounds

These types of energy supplement the existing choice in this new heating legislation.

10. Reference Documents - Basic Texts

Order of 29 November 2000 regarding the heating characteristics of new buildings and new parts of buildings (Articles 4, 8 and 22).

? Annex No 1 to the Order of 1 December 2000 approving the calculation methods Th-C and Th-E laid down in the above-mentioned Order (paragraphs 11(6)(2), combustion boiler, and 11(6)(4), connection to a heating network, of Section 11(6), Generation Losses)

11. Invocation of the Emergency Procedure

No

12. Grounds for the Emergency

-

13. Confidentiality

No

14. Fiscal measures

No
