4. Notification Number

2014/0292/F - B20

5. Title

Order amending the Order of 21 July 1994 establishing the classification and conformity attestation of the
burning behaviour of electrical conductors and cables and approving testing laboratories, and establishing the
transitional provisions for application of the European reaction-to-fire classes

6. Products Concerned

Power, control and communication cables

7. Notification Under Another Act

-

8. Main Content

Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 laying down
harmonised conditions for the marketing of construction products applies the principle of free movement to
cables.

Performance classifications, especially with respect to fire, must be taken into account for CE marking; the
national classifications must therefore be replaced by the corresponding European classifications.

9. Brief Statement of Grounds

The obligation to amend the basic text from 1994 is the main reason for drawing up this draft.

10. Reference Documents - Basic Texts

References to basic texts: Order amending the Order of 21 July 1994 establishing the classification and
conformity attestation of the burning behaviour of electrical conductors and cables and approving testing
laboratories (notified under number 2000/0295/F).

The reference texts were forwarded with an earlier notification: 2000/295/F
