8. Main Content

This Decree lays down the general technical regulations on the design and operation of electric installations and their connection to HV category A and LV public distribution networks.

9. Brief Statement of Grounds

Law No 2000-108 of 10 February 2000 lays down free access for users to public networks for the transport and distribution of electricity insofar as connection of their installations does not compromise the security of the operation of the network. Article 18 of this Law lays down that the technical conditions for the connection to public distribution networks shall be laid down by decree. This is the aim of this draft.

10. Reference Documents - Basic Texts
