5. Title

Regulatory provisions for INCE stamp for insulating systems and material for construction use, concerning rock wool products.

6. Products Concerned

Rock wool products designed for thermal insulation of buildings.

7. Notification Under Another Act

8. Main Content

The conditions are established for the concession of the INCE stamp to rock wool products, the Ministry of Public Works having granted the INCE stamp since 1977 in recognition of the technological adequacy of construction products, pursuant to the Order on the creation of the INCE stamp which was amended with the incorporation of the corrections proposed by the EEC for the free movement of products. This distinguishing mark

is of a voluntary nature and does not imply any restriction on the use of these products.

9. Brief Statement of Grounds

Rock wool products are included under the INCE stamp in order for them to be under the same conditions as other insulating products which are already subject to the stamp.

10. Reference Documents - Basic Texts

Order by the Ministry of Public Works and town planning (now the Ministry of Public Works) of 12 December 1997 (BOE of 22 December 1977), creating the Ince stamp.

Order of 6 June 1989(BOE of 6 June 1989) amending the previous one to include the corrections proposed by the EEC for the free movement of products.
