7. Notification Under Another Act

The Commission is notified in draft form within the scope of
article 16.1 of Directive 94/62/EC, given that it does not
include any measure of a technical character as indicated in
section 9.

8. Main Content

This draft lays down the individualised amounts to be
received

by packagers and the identifying symbol for the packaging, for packaged products which are placed on the market using the deposit, refund and return system in accordance with the provisions of sections 3 and 4 of article 6 of Law 11/1997, of 24 April on packaging and waste packaging.

9. Brief Statement of Grounds

This provision is intended to finalise two measures which have already been established in sections 3 and 4 of article 6 of Law 11/1997, of 24 April on packaging and packaging waste, according to which this draft does not add any new obligation in relation to that which has already been laid down by said Law.

It is however correct to point out that the measures contained in this draft will not be required in all cases, since, in accordance with the provisions of article 7.1 of Law 11/1997, economic agents will be able to exempt themselves from the above obligations if they market the packaging using any of the integrated waste- and used-packaging systems named, which will exempt them from the need to pay the amounts and use the symbol governed by the draft.
