5. Title

Seed Potatoes (Scotland) Regulations 2015

6. Products Concerned

Seed potatoes

7. Notification Under Another Act

-

8. Main Content

The Seed Potatoes (Scotland) Regulations 2015 consolidate the Seed Potatoes (Scotland) Regulations 2000 (as amended). They control the production, certification and marketing of seed potatoes in Scotland and give effect to Council Directive 2002/56/EC, as amended Commission Implementing Directive 2013/63/EU.

They also give effect to:

Commission Decision 2004/3/EC authorising in respect of the marketing of seed potatoes in all or part of the territory of certain Member States, more stringent measures against certain diseases than are provided for in Annexes I and II to Council Directive 2002/56/EC, as amended by Council Implementing Decision 2014/105/EU.

Commission Implementing Directive 2014/20/EU determining Union grades of basic seed potatoes and the conditions and designations applicable to such grades; and

Commission Implementing Directive 2014/21/EU determining minimum conditions and union grades for pre-basic potatoes.

9. Brief Statement of Grounds

The Seed Potatoes (Scotland) Regulations 2000 require amendment in order to implement changes in the EU legislation to which the regulations give effect. The 2000 regulations have been amended on several previous occasions and so we have taken the opportunity to consolidate those amendments into the Seed Potatoes (Scotland) Regulations 2015.

As provided for in Commission Decision 2004/3/EC, the regulations apply stricter domestic requirements in relation to certain potatoes diseases.
