5. Title

Decree issued pursuant to Article R 412-1 of the French Consumer Code on the placing on the market of mushrooms

6. Products Concerned

Fresh mushrooms, whether cultivated or wild, edible varieties

7. Notification Under Another Act

- Directive 2000/13/EC on the approximation of the laws of the Member States relating to the labelling, presentation and advertising of foodstuffs

8. Main Content

The Decree in question aims to establish quality criteria for both cultivated mushrooms and wild mushrooms and will make it possible to draw up a national list of edible mushrooms.

9. Brief Statement of Grounds

Currently, Regulation (EU) No 1308/2013 (Single CMO) only contains quality criteria for fresh cultivated mushrooms. The Decree extends these rules to wild mushrooms on the grounds that the quality of the raw material, whether cultivated or wild mushrooms, is a necessary condition for quality processed products. Currently, each department adopts the departmental health regulations and may establish locally its own list of edible mushrooms, without the principles for defining this list being known. An order implementing the Decree will take over all existing lists to form a harmonised national list.
