4. Notification Number

2011/0560/F - C00A

5. Title

Order extending an inter-branch amendment agreed by the national inter-branch association for processed fruit and vegetables (ANIFELT) on regulations and standards applicable to contracts relating to dried Agen plums.

6. Products Concerned

Dried Agen plums and prunes produced in France

7. Notification Under Another Act

-

8. Main Content

The order extends an amendment intended to maintain the quality of dried Agen plums and prunes for a long conservation period.

The agreement is intended to control the moisture content of dried Agen plums and prunes intended for consumption. It sets a maximum average moisture content.

Keywords: dried Agen plums, prunes, quality, consumption

9. Brief Statement of Grounds

This order is intended to make the rules set out in the inter-branch amendment mandatory throughout France. As conservation technology has improved, plums can now be conserved for more than one year without any deterioration in quality, provided an average moisture content slightly lower than that set in Annex I to Regulation (EC) 464/1999 is applied.

10. Reference Documents - Basic Texts
