8. Main Content

Amendment of paragraphs 4(c) and 5(c) of Schedule 2 to The Producer Responsibility Obligations (Packaging Waste) Regulations 1997. These prescribe the recovery and recycling targets to be met from 2001 onward. The effect of the amendment is to increase the existing recovery target from 52% to 58% and the existing recycling target from 16% to 18%. The draft amending regulations extend to Scotland only; notification as regards similar changes for England and Wales has already been given.

9. Brief Statement of Grounds

The amendment is in response to concerns that the existing targets will not be sufficient to secure compliance with the recovery and recycling targets prescribed by Directive 94/62/EC.
