**8. Main Content**

Main contents:

The notified text specifies conditions for approval of  
reflective registration plates and sets out a new schedule of  
conditions applying to approvals which will be issued as from  
the publication of the Order.

Furthermore, it provides for the recognition of equivalent  
standards valid in other countries which are members of the  
European Union or signatories to the agreement instituting  
the European Economic Area.

**9. Brief Statement of Grounds**

Brief justification.

The notified draft sets out a new schedule of conditions for approval of reflective plates, taking into account the development of procedures since the Order of 6 November 1963 which up to that time regulated approvals in this area.
