5. Title

Order amending the Order of 3 May 2004 on the use of transportable pressure receptacles

6. Products Concerned

Transportable pressure receptacles:

7. Notification Under Another Act

-

8. Main Content

This Order is issued pursuant to Decree No 2001-386 of 3 May 2001, as amended, concerning transportable pressure equipment. It sets out the provisions for use (employment and maintenance) and for checking after intervention (repairs and modifications) applicable to transportable pressure receptacles and their accessories. It also lays down rules applicable to the periodic inspection of transportable receptacles built in accordance with the provisions of the Decree of 18 January 1943, which have already been placed on the market and which have not been subject to conformity reassessment under the provisions of the aforementioned Decree.

9. Brief Statement of Grounds

The Order of 3 May 2004 is brought up to date according to the same rationale of simplification applied to the new Directive 2010/35/EU of 16 June 2010 on transportable pressure equipment. In particular, a number of technical regulatory requirements, made redundant by the provisions of the ADR have been removed. Furthermore, the feedback from 8 years of application of the text has been incorporated and certain provisions have been clarified.

10. Reference Documents - Basic Texts

References to reference texts: Law of 28 October 1943
Decree No 2001-386 of 3 May 2001 on transportable pressure equipment
Order of 3 May 2004 on the use of transportable pressure receptacles

11. Invocation of the Emergency Procedure

No

12. Grounds for the Emergency

-

13. Confidentiality

No

14. Fiscal measures

No

15. Impact assessment

-

16. TBT and SPS aspects

TBT Aspect

NO - The plan has no significant impact on international commerce.

SPS Aspect

No - The plan is not a sanitary or phytosanitary measure.
