**8. Main Content**

The Draft Royal Decree lays down the quality standard for the manufacture, marketing and sale of preserves, jellies, fruit marmalades, chestnut cream and fruit jams intended for human consumption.

Furthermore, in view of the fact that the range of products similar to preserves is wider than that laid down in Council Directive 2001/113/EC of 20 December 2001, this new standard includes another type of manufactured product traditionally consumed in Spain, that is to say, jams.

**9. Brief Statement of Grounds**

The draft Royal Decree incorporates Council Directive 2001/113/CE, of 20 December 2001, into Spanish legislation. It also simplifies and updates legislation in this domain given that current Community legislation on Health and Consumer Protection has been amended.

Finally, it aims to adapt horizontal legislation on additives and labelling.
