4. Notification Number

2006/0605/F - C50A

5. Title

Order on health rules applicable to products of animal origin and to foodstuffs containing these

6. Products Concerned

Products of animal origin and foodstuffs containing these, as well as the establishments handling, producing or processing them. The operators concerned are those covered by Regulation (EC) No 853/2004

7. Notification Under Another Act

d) Other Directive or Regulation:

Regulation (EC) No 852/2004 of the European Parliament and of the Council of 29 April 2004

Regulation (EC) No 853/2004 of the European Parliament and of the Council of 29 April 2004

Regulation (EC) No 854/2004 of the European Parliament and of the Council of 29 April 2004

Regulation (EC) No 999/2001 of the European Parliament and of the Council of 22 May 2001

Regulation (EC) No 1774/2002 of the European Parliament and of the Council of 3 October 2002

8. Main Content

The Order lays down additional health rules to the abovementioned Regulations.

Amongst these provisions the following can be noted:

- Specific provisions applicable to slaughterhouses for domestic ungulates and ungulate bred game and cutting premises for meats from these animals
- Provisions applicable to slaughterhouses and cutting premises for poultry, lagomorphs, ratites and small farmed game
- Specific provisions applicable to the collection, processing and marketing of fresh wild game meat
- Provisions applicable to raw milk and milk products
- Provisions applicable to the direct supply from the producer to the end consumer, or to a retail establishment directly supplying the end consumer, of small quantities of primary products: fishery products and eggs from the species *Gallus gallus*
- Specific provisions relating to rendered animal fat

9. Brief Statement of Grounds

The abovementioned regulations are directly applicable.

The abovementioned regulations stipulate that national provisions be adopted either for activities outside the framework of the regulations, or within the framework of derogation laid down by the regulations or within the framework of the maintenance of existing national provisions.

It furthermore appears necessary to clarify certain points of the regulations in particular to provide administrative details on the competent authority.

It is therefore appropriate to rework the national Orders in order to delete any superfluous information and inconsistencies with Hygiene regulations.
