8. Main Content

The requirements for highway works is the basis of the contract documentation used by the Highways Agency for new highway construction works and maintenance on the UK Strategic Trunk Road Network.

HD 32 - Maintenance of Concrete Roads sets out the needs of the Overseeing Organisation with respect to the maintenance of concrete roads

9. Brief Statement of Grounds

The use of these documents is mandatory for all trunk roads, including motorways, in England. Other UK Overseeing Departments incorporate certain amendments to take account of local conditions.

This document will replace the existing HD 32 and ensure best practice in concrete road maintenance while complying with all relevant EU Directives, as well as ensuring the appropriate levels of governance for the highway authority.
