Shallots produced in France

7. Notification Under Another Act

-

8. Main Content

The Order extends an Agreement that aims to improve the quality of the shallots produced in France.

The Agreement seeks to limit the size of shallots for consumption both in France and in foreign markets. It sets the maximum size allowed to 55 mm.

The Agreement does not apply to shallots intended for processing

Keyword: shallot - size - consumption

9. Brief Statement of Grounds

This Order makes mandatory on French territory the rules defined in the Inter-branch agreement. Limiting the size of the shallots aims to avoid the marketing to the consumer of large-sized shallots, that have reduced storage time and more rapidly develop disease and rot.

This Agreement, signed on 12 October 2010, has already been extended by Order for the marketing year 2011, following Notification 2011/0155/F.
