5. Title

Draft Ministerial Decree laying down conditions for the identification of foodstuffs intended for specific medical uses eligible for financing under the national health system.

6. Products Concerned

Foodstuffs intended for specific medical uses.

7. Notification Under Another Act

Council Directive 79/112/EEC of 18 December 1978.

8. Main Content

The aim of the draft is to lay down certain conditions to facilitate the identification of dietary products eligible for financing under the national health system, in order to make it easier for financing with regard to foodstuffs

intended for specific medical uses to be carried out in accordance with current legislation.

The draft order thus establishes that foodstuffs intended for specific medical uses eligible for financing under the national health system should be given an identity code for each presentation, which must be granted by the Department of Public Health.

Packaging containing this type of foodstuffs must be equipped with a detachable seal bearing the characteristics and identification data of the product as laid down in the Annex.

9. Brief Statement of Grounds

The aim of the draft is to facilitate the recognition and management of presentations relating to foodstuffs intended for specific medical uses eligible for financing under the national health system.
