4. Notification Number

2015/0243/E - B20

5. Title

Draft Royal Decree adopting the Fire Protection Installation Regulations

6. Products Concerned

Design, installation and maintenance requirements for active fire protection systems.

7. Notification Under Another Act

-

8. Main Content

The draft comprises a preamble, a single article, a repealing clause and three final provisions. The Fire Protection Installation Regulations are attached below, comprising twenty-five articles grouped into six chapters, seven additional clauses, four transitory provisions and three annexes.

These Regulations are intended to set out the requirements applicable to the design, installation, maintenance and inspection of the equipment and systems that make up the fire protection installations, required by specific legislation.

9. Brief Statement of Grounds

This draft royal decree replaces and updates the prevailing Fire Protection Installation Regulations ratified by Royal Decree 1942/1993 of 5 November, as amended by Royal Decree 560/2010 on 7 May amending various regulatory standards applicable to industrial safety, to bring them in line with Law 17/2009 of 23 November on free access to service activities and the performance thereof and with Law 25/2009 of 22 December amending various laws to bring them into line with the Law on free access to service activities and the performance thereof, and with the Order of 16 April 1998 on procedural standards and the implementation of said royal decree.

10. Reference Documents - Basic Texts

References to basic texts: Royal Decree 1942/1993 of 5 November adopting the Fire Protection Installation Regulations

11. Invocation of the Emergency Procedure

No

12. Grounds for the Emergency

-

13. Confidentiality

No

14. Fiscal measures

No

15. Impact assessment

-

16. TBT and SPS aspects

TBT relevance

NO - The project will have no significant impact on international trade.

SPS relevance

NO - The project will have no significant impact on international trade.

No - The draft is not a sanitary or phytosanitary measure.
