8. Main Content

This technical regulation specifies the conditions of
application of the ETS 300 198 for approval in France.

9. Brief Statement of Grounds

The results of tests carried out in laboratories designated
by the other Member States shall be deemed valid, in
accordance with Article R 20-18 of Decree N° 92116 of 4
February 1992 on the approval of telecommunications terminal
equipment, their conditions of connection and the admission
of installers.

A draft decree, amending Article R 20-1 to R 20-30, following
the entry into force of the agreement on the European
Economic Area, was communicated to the Commission in May

1994.
