## 7. Notification Under Another Act

Article 16 of Directive 94/62/EC on Packaging and Packaging Waste

## 8. Main Content

Amendment of Regulation 15 of The Producer Responsibility Obligations (Packaging Waste) Regulations 1997. This prescribes the fee which a compliance scheme must pay to the Scottish Environment Protection Agency for registration. The effect of the amendment is to replace the existing sliding scale with a fixed amount. The draft amending regulations extend to Scotland only; notification as regards similar changes for England and Wales has already been given.

The Explanatory Note of the final Regulations will include the statement: These regulations were notified in draft to the European Commission in accordance with Directive 98/34/EC

## 9. Brief Statement of Grounds

The amendment is in response to concerns that the existing fee structure does not reflect the costs of monitoring and auditing compliance scheme registrations.
