4. Notification Number

94/0164/F

5. Title

Order concerning the use of various processing aids in food
for human consumption.

6. Products Concerned

Cattle guts used as a casing for prepared meat products.
Vinasse from white wines used for the manufacture of sauces.

7. Notification Under Another Act

-

8. Main Content

This draft is intended to authorize the use of sodium metabisulfite for the treatment of cattle guts used as a casing for prepared meat products provided that the residual content is less than 10 mg per kg in accordance with the provisions stipulated in the draft directive concerning additives other than colourings and sweeteners which specifies that a content of less than 10 mg per kg is not considered as being present as an additive.

It is also intended to authorize the use of potassium ferricyanide for the treatment of the vinasse of white wines used for the manufacture of sauces.

9. Brief Statement of Grounds

These provisions were the subject of favourable opinions from the French Council for Public Hygiene and the National Academy of Medicine.

10. Reference Documents - Basic Texts

Amended decree of 15 April 1912 implementing the law of 1

August 1905 on the prevention of fraud in respect of chemical products in food for human consumption.

11. Invocation of the Emergency Procedure

NO
