### 8. Main Content

This Order supplements Decree No 2012-1220 of 31 October 2012 updating the regulatory section of the Rural and Sea Fisheries Code regarding the production and placement on the market of live shellfish, and specifies the conditions for capturing or gathering spat which apply outside the classified areas.

This text also indicates the sizes of juvenile shellfish gathered in class C areas.

It brings certain articles into alignment with the above-mentioned European regulations, without involving any major fundamental changes to the measures in question, and repeals articles which duplicate the requirements of these regulations.

This text introduces a sample request for authorisation to capture or gather spat in non-classified areas, which is available in CERFA format.

### 9. Brief Statement of Grounds

This Order enables alignment with European regulations.
