8. Main Content

Regulation of sports betting in Galicia with a view to integrating the different forms of bets that may be placed on sporting events, in continuous compliance with both subjective limits (individuals prohibited from placing bets) and objective limits (events on which betting is prohibited).

9. Brief Statement of Grounds

Betting is envisaged in Article 6 of Act 14/1985 of 23 October as a form of gaming that may be authorised in the Autonomous Community of Galicia. However, despite this inclusion and the continuous references to betting in the said law, the practice of betting has thus far lacked specific regulatory development; even Decree 166/1986 of 4 June, approving the Basic Catalogue of Games of the Autonomous Community of Galicia, failed to lay down any basic rules for the practice of sports betting, merely listing horse racing bets as one of the forms of gaming included in the said catalogue.
