8. Main Content

The order extends an agreement intended to ensure high-quality fresh walnuts produced in France. It lays down simpler quality control criteria for professionals than market entry dates.

9. Brief Statement of Grounds

This order is intended to make the rules set out in the inter-branch agreement compulsory on French territory. It will help promote higher-quality fresh walnuts.

This agreement, signed on 30 May 2017, was concluded for a period of 3 years.

This notification relates to rules which, in terms of this three-year agreement, will not change between now and 2020. It is therefore valid for the 2018-2020 marketing years.

It is a quality initiative relating to the fresh fruit and vegetable sector. The Inter-branch Association is of the view that the inter-branch agreement will help ensure customer satisfaction with this product, clarify the distinction between dry walnuts and fresh walnuts, facilitate trade by ensuring the walnuts are perfectly ripe and boost the niche position this market enjoys.
