#### **8. Main Content**

The text of the draft Royal Decree removes the designation "Grisines" (Grissini sticks) from Section 11 of Article 7 entitled "Designations of special breads".

#### **9. Brief Statement of Grounds**

The reason for the removal of "Grisines" as a special bread is in response to the fact that this designation has been used in Spain solely as a trademark for a specific product which has been registered since 1947, for which reason it should not be used as a generic name for a type of special bread.
