2000/626/F

5. Title

TOOT - Order on making safe certain vehicles which use liquefied petroleum gas

6. Products Concerned

Vehicles which use liquefied petroleum gas, registered in France before 1 January 2000

7. Notification Under Another Act

8. Main Content

The draft submitted requires vehicles which use liquefied petroleum gas, registered in France before 1 January 2000, to be fitted with a safety valve and a device to limit excess pressure as laid down by Geneva Regulation No 67-01 and already made mandatory by the Order of 4 August 1999 (already notified: Notification No 99/0225/F) for new vehicles and second-hand vehicles registered in France after 1 January 2000.

9. Brief Statement of Grounds

The notified draft aims to make safe all vehicles on the road in France which use liquefied petroleum gas, by

bringing the safety levels of vehicles registered in France before 1 January 2000 into line with those for new vehicles and second-hand vehicles registered in France after that date.
